1. PROSSER

Our hometown and where our winery is located. In 1886 the Mercer Family headed west and settled in Prosser, WA.

THE MERCER BRO'S

We are 4th generation of the Mercer family to tend the grapes grown on our great-grandfather's land in Horse Heaven Hills AVA. Over the years, we have learned that our rich soil and desert climate are beautifully suited for producing world class wine with the long hot days and the cool nights.
