WINEMAKER'S NOTES

Aromas of jasmine & fresh apple are lifted with notes of honey. The aromas are mirrored on the palate and enhanced with lemon and a subtle grassiness.

VINEYARD SOURCING

The fruit for this wine came from our Estate Princeton Vineyard located in the acclaimed Horse Heaven Hills.

GROWING SEASON

The 2023 harvest was more normal compared to the past few years. We had a late start to spring and bud break, and had no extreme summer heat events. This led to an early harvest for white grapes which started the day after Labor Day.

WINEMAKING

The Riesling was machine harvested in the early morning hours to allow the fruit to arrive at the winery cool. Once at the winery, the juice was gently pressed away from the grape skins. The freshly pressed juice was allowed to cold settle for 48 hours and then clean racked off the solids. Fermentation was initiated with a yeast known to enhance aromatics and allowed to ferment at a cool temperature to lock in freshness and bright aromas. This wine was fermented in 100% stainless steel, resulting in a clean, crisp, and refreshing wine.
