

MERCER BROTHERS

**VISIONARY PIONEERS.
LEGENDARY WINES.**

2023 WASHINGTON STATE WINERY OF THE YEAR

New York International
Wine Competition

1. PROSSER

In 1886 the Mercer Family headed west and settled in Prosser, WA, where our Winery and Flagship Tasting Room are now located.

2. HORSE HEAVEN HILLS AVA

The Horse Heaven Hills lies along the northern bank of the Columbia River in South Central Washington state.

3. THE BURN OF THE COLUMBIA VALLEY

One of Washington's newest appellations, receiving more precipitation and wind than any other parts of the Columbia Valley. Fruit from this AVA is typically among the last harvested in the state.

4. WALLA WALLA

Our newest Tasting Room location opened in a historic downtown setting in the summer of 2024.

THE MERCER BROTHERS

We are the 4th generation of the Mercer family to tend the grapes grown on our great-grandfather's land in Horse Heaven Hills AVA. Over the years, we have learned that our rich soil and desert climate are beautifully suited for producing world class wines.

- 92 pts, NY Int'l Wine Comp
- 90 pts, Int'l Review of Wines- Jeremy Young

WASHINGTON STATE
ANNUAL RAINFALL:

 240"

 40"

 6 - 8"

The Columbia Valley and the Horse Heaven Hills are protected from wet weather systems by two major mountain ranges, the Olympics and the Cascades, creating the perfect climate for wine grapes. Hot summer days and cool nights add to the perfect conditions for growing world class wines. Washington State has some of the most dramatic fluctuations of any wine region in the world. We experience up to 40° F difference between high day and low night time temperatures

NOTES

MERCER FAMILY VINEYARDS RESERVE CABERNET

The Mercer Family Vineyard Reserve Cabernet is 100% barrel aged for 20-22 months. The grapes are sourced from our premier vineyard sites that are cropped less than 3 tons per acre to maximize the concentration in the berry. The barrel program consists of French & American oak with about 35% new oak impact, with a combination of 60% French barrels and 40% American oak barrels. Our winemaking team uses oak fermenters with twice daily punch downs for the reserve tier cabernet.

Nearly fifty years ago the Mercer family planted the first wine grapes in the Columbia Valley's Horse Heaven Hills, on land our great-grandfather settled in 1886. We strive to maintain Willis Mercer's independent spirit in our wines, grown predominantly from these original vineyards - tended by us, made by us.

- Will Mercer & Rob Mercer
