

Rosé

LABEL: SMALL LOT

AVA: HORSE HEAVEN HILLS

VIN: 2025

WINEMAKER'S NOTES

Fresh, vibrant, and effortlessly drinkable, this 2025 Rosé is a perfect companion for sunny days and easy gatherings. Its pale pink color, kissed with soft orange hues, hints at the brightness to come. Aromas of red plum and cranberry mingle with zesty notes of lemon and grapefruit, leading into a crisp, refreshing palate. Lively citrus and subtle pithy complexity add just enough intrigue, while the small blend of Carignan, Cunoise, and Cinsault brings balance and lift. Clean, energetic, and beautifully refreshing, this is a rosé you'll want to keep chilled and close at hand.

VINEYARD SOURCING

100% of the fruit for this wine came from our Estate Spice Cabinet Vineyard located in the Horse Heaven Hills. This vineyard sits on a southeast slope above the Columbia River. The orientation of the block allows for morning sun exposure of the fruit, while avoiding the intense afternoon rays.

GROWING SEASON

The 2025 growing season was defined by a shorter, more condensed timeline than usual. While bud break, bloom, and veraison arrived just slightly later than average, a Goldilocks summer--warm, sunny days without the extreme heat that shuts down photosynthesis--allowed the vines to ripen beautifully and efficiently. This led to early, exceptional fruit maturity with an unusually active start to harvest in August. Overall, the vintage shows excellent balance and quality across all varieties, highlighting the strength of Eastern Washington as a premier growing region.

WINEMAKING

Harvest Date: September 23, 2025

Harvest Brix: 22.9

Primary Fermentation: Grenache was direct-to-press, fermented in stainless steel and aged on the fine lees to enhance texture, complexity, and preserve its natural purity. Small lot parcels of Carignan, Cinsault, and Cunoise were whole cluster pressed using a basket press, then fermented in neutral large format barrels, adding spice to the final blend.

Bottling Date: April 8, 2026

Drinkability: 2026-2029

Cases Produced: 252
